Five South Florida Wal-Mart Supercenters are now offering customers the ability to shop for groceries online and pick them up at the store without having to get out of their cars.

Customers can schedule a pick-up time and then drive over to a designated parking spot at the store where a Wal-Mart employee will bring the groceries. The Grocery Home Shopping service is free.

The participating stores are:

• Coral Springs: 6001 Coral Ridge Drive

• Lake Park: 101 N Congress Ave.

• Pompano Beach: 2300 W Atlantic Blvd.

• West Palm Beach: 4225 45th St.

• North Lauderdale: 7900 W McNab Road

The service launched Thursday in 10 cities, including the five in South Florida. Items available for ordering include meat, dairy, produce and household products.

Customers need to create an account online first in order to use the service. For more information, go to walmart.com/grocery.
